Room 1060
Rockville MD 20852

To Whom It May Concern:

I'm writing to ask for the following:

- * Conspicuous and prominent labeling for all irradiated and gene-altered foods
- * Labeling on products made with irradiated ingredients
- * Adequate signs on bins for irradiated and gene-altered bulk produce
- * Labeling should be permanent just like other consumer labeling.
- * Codex labeling requirements--International labeling standards requires that all irradiated foods be labeled as irradiated.

Sincerely,

Betty J. Fowler
